📁 PROFESSIONAL EXPERIENCE

SDE Intern

Mar 2024 – present | Bangalore, India

MSG global solutions india pvt ltd ✉

- Mastered 5+ new frameworks including **Node.js, TypeScript, JavaScript, and React** within 3 months, expanding proficiency in modern web development technologies.
- Undertook 10+ hours of weekly continuous learning, yielding a 30% increase in productivity on assigned tasks.
- Minimized bug count by 25% in assigned modules through rigorous code reviews and testing.
- Collaborated to 2 enterprise-level projects, gaining exposure to SAP P4PM Universal Model alongside core web development skills.

Full Stack Developer

Oct 2021 – Oct 2022 | Jaipur, India

GeeksIT Data Solutions Pvt. Ltd. ✉

- Contributed to 6-8 diverse projects utilizing **PHP, jQuery, Bootstrap, and AWS technologies**.
- Developed and optimized **100+ RESTful APIs** using PHP and MySQL, reducing database query time by 30% for management systems.
- Improved website performance by 40%, enhancing user experience and decreasing bounce rate by 25%.
- **Resolved 120+ critical bugs**, increasing platform stability by 60% and reducing customer complaints by 45%.
- **Received 5 commendations** from senior management for exceptional work quality and project contributions.

📁 PROJECTS

Sports Management Website ✉

Apr 2024 – Jun 2024

React.js, Node.js, Express.js, MySQL, Tailwind, Material-UI

- Engineered a **multi-panel website** (Admin, Captain, Player) to automate registration and management for annual sports events, reducing manual processing time by 70%.
- Streamlined manual processes, boosting efficiency in team and event management by 50% and increasing user satisfaction by 40%.
- Implemented features that spurred a 30% increase in event participation and a 25% reduction in administrative overhead.

Ecommerce Website ✉

Oct 2023 – Feb 2024

PHP, HTML, CSS, BOOTSTRAP, MySQL, CodeIgniter, JQUERY

- Architected a multi-panel **e-commerce** platform (admin, seller, customer) that reduced customer service inquiries by 40% and increased seller onboarding efficiency by 60%.
- Optimized site performance, achieving a 25% reduction in page load times and a 35% increase in user engagement.

Digital Signage System ✉

Feb 2022 – Oct 2022

CodeIgniter, CSS, JavaScript, JQuery, Bootstrap, PHP, MySQL, Xampp, AWS

- Crafted a SAAS-based platform enabling clinics and hospitals to create customized advertisement screens, resulting in a 40% increase in user engagement for healthcare facilities.
- Integrated functionalities for seamless advertisement display, increasing the reach of healthcare messaging by 60% across various settings such as railway stations and hospitals.
- Pioneered a template feature that reduced content creation time for users by 70%.

🧠 SKILLS

Programming Languages: Java | Javascript | Typescript | PHP | HTML/CSS | C programming

Libraries and Frameworks: React | Node/Express | CodeIgniter | JQuery | Tailwind | Bootstrap | Git

Database: SQL | MySQL | HANA | MongoDB

🎓 EDUCATION

Master's Degree in Computer Applications(MCA) - 9.36 CGPA

Oct 2022 – Aug 2024 | Bangalore, India

CMR Institute of Technology

Bachelor's Degree in Computer Applications(BCA) - 78.40%

Jul 2018 – Nov 2021 | Nawalgrah, India

Seth Gyaniram Bansidhar Podar College

🏆 ACHIEVEMENTS

- Clinched two events and overall **championship in a tech hackathon** during MCA program, showcasing ability to devise innovative solutions under time constraints.
- Tackled and resolved **50+ LeetCode challenges**, demonstrating proficiency in algorithmic thinking and efficient code implementation.

📄 CERTIFICATES

Front-End Web UI Frameworks and Tools: Bootstrap 4 - Coursera • ReactJS & Redux - Udemy • NodeJS with Express & MongoDB
